

May 1st to 3rd

TORNEO

Torre Vieja International League 2025 is an international rugby tournament aimed at providing boys and girls with the opportunity to combine football with tourism and fun.

Our tournament will take place from **May 1st to 3rd, 2025**.

We aim to promote coexistence and enhance the personal and athletic development of young rugby players through the experience, in two aspects:

- Being away from home as part of a sports camp.
- Participating in a sports environment through training and competition.

For the participants, it offers a highly attractive leisure activity. On one hand, it takes place outside their usual environment, with all that this implies; and on the other hand, everything revolves around football, the sport they have chosen.
