

June 21st to 24th

TOURNAMENT

The **Torre vieja International Cup 2025** is an international futsal tournament aimed at offering boys and girls the opportunity to combine football with tourism and fun.

Our tournament will take place on **June 21st, 22nd, 23rd, and 24th, 2025**.

We aim to promote camaraderie and support the human and athletic development of young aspiring footballers through this experience, focusing on two aspects:

- Being away from home as part of a sports camp.
- Participating in a sports environment through training and competition.

For the participants, it offers a highly attractive leisure activity. On one hand, it takes place outside their usual environment, with all that this implies; and on the other hand, everything revolves around football, the sport they have chosen.
