TOURNAMENT

Torrevieja International Cup 2024 is an international **Volleyball** tournament that aims to offer boys and girls the possibility of combining football with tourism and fun.

Our tournament will be held on **June 22, 23, 24 and 25, 2024**. The possibility of coming on the 21st is open.

We intend to promote coexistence and promote the human and sporting training of young aspiring footballers, through experience, in two aspects:

1. Being away from home as part of a sports concentration.
2. Be a participant in a sporting coexistence through training and competition.

For participants it is a very attractive leisure offer. On the one hand, it takes place outside their own environment, with what that implies, and on the other, everything revolves around football, the sport that they have chosen.
