TORREVIEJA 
INTERNATIONAL

28-31 of March of 2024

TOURNAMENT

Torrevieja International Cup 2024 is an international handball tournament with the aim to offer boys and girls the possibility of mixing handball with tourism and fun.

*Our tournament will take place **on March 28, 29, 30 and 31, 2024.***

We intend to promote coexistence and promote the human and sports training of young applicants, through experience, in two aspects:

- 1. Being away from home as part of a sports concentration.*
- 2. Be a participant in a sporting coexistence through training and competition.*

*For participants it is a very attractive **pastime offer**. On the one hand, it takes place outside their own environment, with what that implies and on the other, everything revolves around **handball**, the sport that they have chosen.*
